

# PEKING DUCK HOUSE

## MENU

### OUR SPECIALTY PEKING DUCK

One of the most sophisticated arts of Chinese cooking. The meat is prized for its delicious crispy skin.

We prepare well in advance. First air is pumped into the duck stretch and loosen the skin, then boiling water is repeatedly spread over the bird. The duck is air dried and coated with a special honey glaze and hung for 8 hours. Finally, the duck is roasted in a special oven until the meat is tender and the skin crispy to perfection.
